<p>Remarks: Des: The Director put you in for a briefing on Cuba for the Vinson Subcommittee on Monday, 23 September, 10 a. m. Since you gave them a briefing on your operations this summer, I should think you need only mention any significant developments in connection therewith, and they are always interested in Russian personnel strength so the recent indications of substantial withdrawals would be of interest. Aside from this, I have no particular guidance, and you or Dick may want to see if the Boss has any other ideas.</p> <p style="text-align: right;">LRHouston</p>
